Free School Meals

DEAR PARENT/GUARDIAN/CARER

You may be entitled to receive free school meals for your child. If you register with your local authority your child could get a healthy meal every lunchtime in our restaurant. Children receiving free school meals use the same fingerprint payment method as everyone else, so no distinction is made between them.

If you want to know more or wish to register, please contact the local authority for the area in which you live:

Oldham MBC - 0161 770 3915
