

PARENT VOICE PADLET

Welcome to the Parent Voice Padlet! Your online noticeboard for everything family support related!

This space is for parents, carers, and expectant parents to explore local services shaped by your feedback.

It's updated weekly by the Family Hub Parent Voice Co-ordinator and team, so you'll always see what's new and available.

Each section reflects key themes you've raised, like Dad's groups, Family Hubs, and Parenting Support, making it easy to find what matters most.

Your voice is shaping better support across Oldham!
